Year 5 WEMT Course

The Year 5 WEMT course is being updated to include new module contents. This will require students to commit to a significant amount of weekly module work, but it will help them build a solid foundation for the selective school and independent school scholarship exams.

- **Strong foundation for the selective school and independent school scholarship exams:** Focus on key areas like writing, reading comprehension, mathematical reasoning and critical thinking.
- **Effective writing strategies:** Learn how to structure and organise writing persuasively.
- **Mastering reading comprehension:** Develop techniques to tackle challenging texts and ace multiple-choice questions with confidence.
- **Mathematics made easy:** Gain a solid understanding of mathematical concepts, formulas, and problem-solving techniques.
- **Mind-stimulating thinking skills:** Challenge yourself with engaging exercises to enhance critical thinking and problem-solving abilities.
- **Choose the learning style that suits you best:** We offer two flexible WEMT course options:

WEMT (Face-to-face learning)

Learn directly from expert teachers in a dynamic classroom setting and access all Cyberschool resources.
